City of Toronto celebrates diversity and innovation

The City of Toronto is home to over three million residents. It is Canada's largest city. Toronto is proud to be one of the most multicultural cities in the world.

The city celebrates cultures from all around the world. We have cuisines from every continent available to our residents and visitors. The City of Toronto is a tourist hub. Millions of visitors spend time in the city annually.

Canada's largest city, the City of Toronto, is also an economic hub. The city contributes billions of dollars to the Canadian economy. In 2024, the City of Toronto contributed \$3.5 billion dollars to GDP. Torontonians have access to a multitude of employment

opportunities. Our service and manufacturing industry is booming. Each month, the city creates 5,000 jobs for Canadians.

Toronto City Hall ensures Torontonians are able to raise their concerns. The City of Toronto seeks to protect and promote democracy. There are over 150 programs available for Torontonians to participate in city government initiatives.

In the attempts to grow sustainably, the City of Toronto is proud to partner with Greenpeace Canada. The city spends \$4.5 million annually to build clean infrastructure for future generations. Toronto is home to thousands of plant and animal species. Protecting the environment is a top priority. We are a global leader in environmental causes.
